

2023 IJEA YEARBOOK CONTEST

For coverage of the 2022-23 school year

A NOTE ABOUT JUDGING

The books were judged in eight individual categories: copy writing, divider pages, graphics, layout & design, overall coverage of school year, overall coverage of sports, photography and theme development.

Books earned points based on how they placed in each category:

- First place in a category = 5 points
- Second place in a category = 4 points
- Third place in a category = 3 points
- Honorable mention in a category = 1 point

The three books with the highest scores in each division received first, second and third place for Overall General Excellence in their respective divisions. Other books in each division received honorable mention as recommended by judges.

The judges were drawn from the ranks of experienced journalists, teachers and advisers. Judging in each category was guided by criteria used in similar contests nationwide.
